

Caring Under COVID

COVID-19 call-out to all the nurses and midwives

Take this opportunity to share your experience as part of an exhibition to mark 2020 International Year of the Nurse and Midwife. Due for launch in early 2021, the exhibition is focusing on the history of nursing and midwifery in Australia against a backdrop of cultural, political and historic change. It will feature nurses and midwives, past and present, who have played significant roles in civilian life. education, military and peace-keeping spheres, politics, activism and advocacy.
